Description

Manufactured from stainless steel, this Purus square tile grate frame with a Wave design removable grate will add the finishing touch to any tiled wet room floor.

The two-part grate is designed for use with 130mm diameter wastes and the all Purus "Mini", Max, Oden Brage wastes.

The frame should be placed centrally over the waste so to allow full access to the trap for cleaning.

Start tiling the floor former from the edge of the frame outwards, on completion of the grouting fill the joint between the frame and tiles with silicone sealant.

The grid is removable for access and maintenance of the Purus wastes below.

Technical details:

- Dimensions: 155 x 155mm
- Height: 6mm
- Grate design style: Wave
- Material: Stainless steel
- Load Class K3 (300kg)
