

Product Overview

The AKW Curtain Clip allows users to lock the edge of the curtain in position, to aid water retention.

Features

- + Simple hinge clip design, simply clips to the edge of the curtain to lock and unclips to release
- + Tight grip - Particularly beneficial in high use shower areas where the water escaping the shower area often builds up quicker than it can dry
- + Easy release clasp
- + Self-Adhesive Fitting Strip and fixing points if required

Benefits

- + Quick and easy to use hinge design
- + Curtain can be easily released by hand, open hinged clasp to release
- + Easy to install without limitation on positioning. If there is a window or vent intruding the shower area, the AKW Curtain Clip can be positioned to overcome this issue
