Bath Shower Kits

Product Overview

If you need a shower above the bath we provide a choice of four shower kits, which can be used with our range of bath mixer taps.

Features and Benefits:

AKW Basic Shower Kit (no rail) 1.5m Hose

- + Practical one and half metre, chrome coiled shower hose, suitable for use when showering, bathing or cleaning
- + Easy-to-use, removable shower head with three adjustable spray patterns
- + Chrome wall bracket can be installed at a user specific height for use when showering

AKW Standard Shower Kit (with rail) 1.5m Hose

- + Practical one and half metre, chrome coiled shower hose, suitable for use when showering, bathing or cleaning
- + Easy-to-use, removable shower head with three adjustable spray patterns
- + Chrome wall bracket can be installed at a user specific height for use when showering
- + Integral shower hose retainer helps to prevent shower head being dropped and contaminated/damaged
- + Adjustable, chrome riser provides extra stability and flexibility when showering, allowing you to easily amend the height of the shower head
- + Soap dish, rail slider and fixings included

AKW Care Shower Accessory Kit (with rail) White or Chrome 2m

- + Durable and practical two metre, double interlock, chrome shower hose, suitable for use when showering, bathing or cleaning
- + Easy-to-use, removable shower head with three adjustable spray patterns
- + Chrome wall bracket can be installed at a user specific height for use when showering
- + Adjustable riser provides extra stability and flexibility when showering, allowing you to easily amend the height of the shower head
- + Riser rail offers additional user safety, with a load-bearing capacity of 150kg, to aid in the prevention of accidents
- + Integral shower hose retainer helps to prevent shower head being dropped and contaminated/damaged
- + Soap dish, rail slider and fixings included
- + White kit includes white shower head, rail and soap dish and Chrome kit includes chrome shower head, rail and clear soap dish
