

Onyx Seat with Back and Arms

From the Onyx range of contemporary mobility aids, shower trays, and bathroom accessories, the Onyx Seat Back and Arms is a natural extension of the Onyx shower seat range.

Featuring a comfortable back rest and two fold-up support arms which can be independently installed to suit the users' requirements, the Onyx Seat Back and Arms is available in cool white or bold black, with stylish chrome accents.

Onyx Seat, Seat Back and Arms are conveniently available as a kit but can also be purchased separately.

- + Minimalist aesthetics, designed in-house by AKW.
- + Available in two contemporary colours:
 - White (RAL9003)
 - Black (RAL7021)
- + Arms and back rest are fitted independently, allowing positioning to be tailored to the user's preference.
- + Comfortable back rest prevents users from experiencing the cold feeling of tiles or wall panels against their back.
- + Designed to withstand everyday use with multiple safe and secure fixing points, and durable construction materials.
- + Ergonomic, shaped seat designed for comfort, with a water drainage slot to aid with quick drying.
- + Arm rests offer improved stability when lowering and rising from a shower seat.
- + Fold-up arm rests and seat help to save space when not in use and are beneficial in multi-user environments.
- + Fold-up seat with soft-close function.
- + Easy to clean and maintain.
