

Sizing Diagrams for the Bio-Bidet BB-800 and BB-1000

www.independent4life.co.uk

The BB-800 and BB-1000 electronic bidet toilet seats are designed to be installed on standard

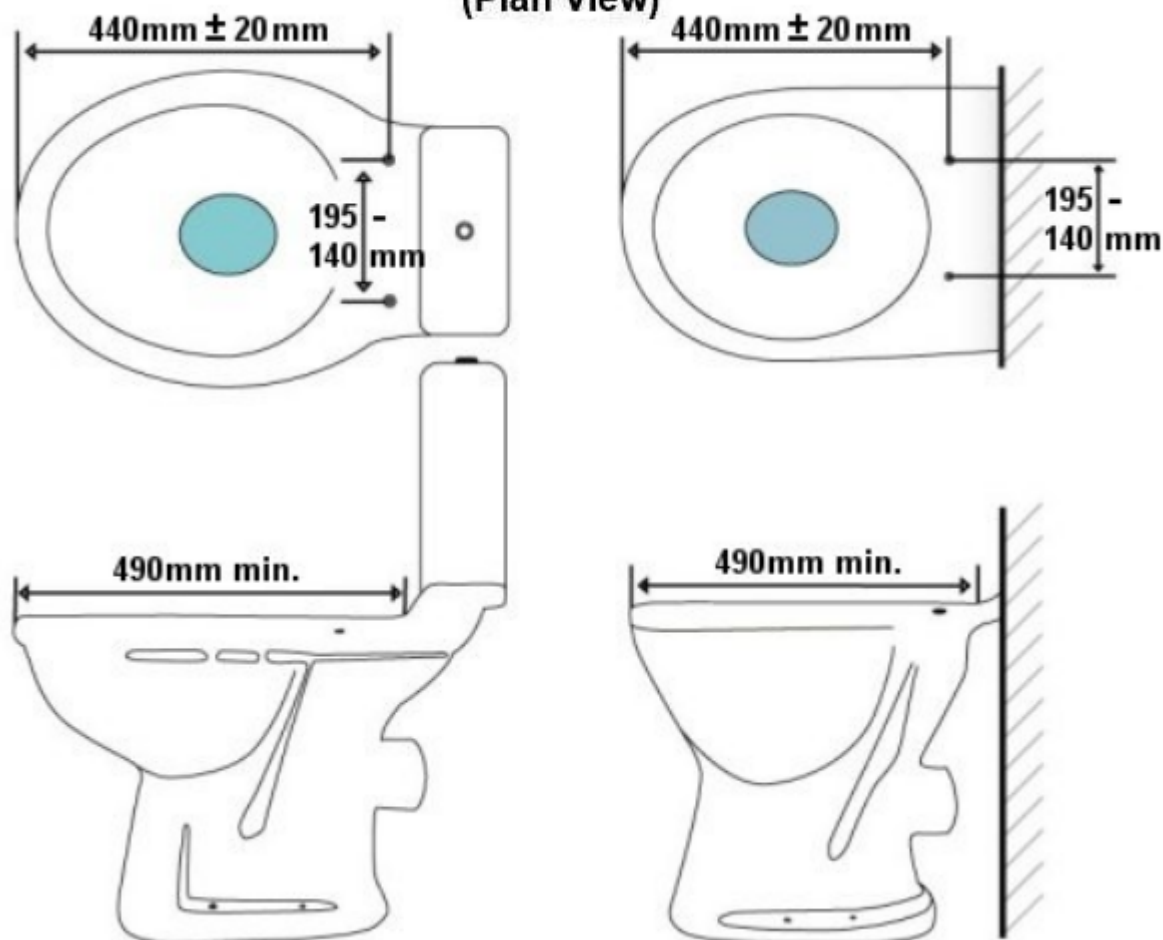

Round / Oval / D-shape

toilet pans that meet the dimensions on the drawings shown on the right.

The dimension **490mm** should be a flat surface all the way - Front to Back. The seat fixing holes in the pan should be **through holes**. Access is required to the underside of the pan to tighten the fixing nuts.

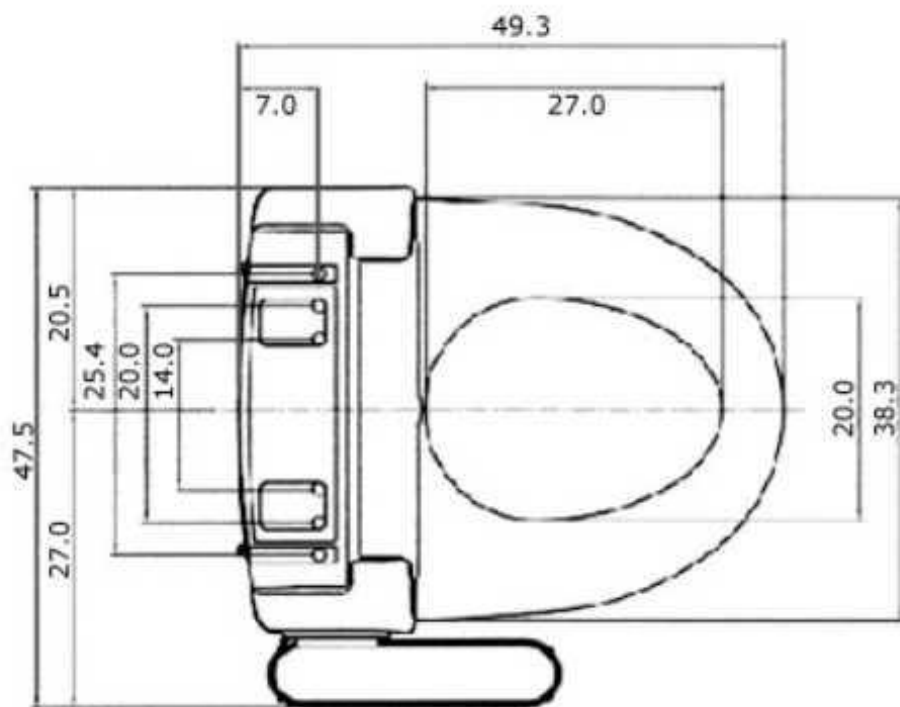

If you have any doubt about the suitability of either of the Bio-Bidets for your toilet, please contact us for advice.
