

EN Operating / Care instructions Baby changing table 327 / Washing bench 328

1. Maintenance

The product is maintenance-free. From safety point of view however some components shall be inspected each year.

- Inspections, service and repair work shall be made by competent persons.
- Remove any objects from the washbasin before maintenance and repair works are made.

2. Functional test

- Check that the changing table is firmly in place. If necessary, adjust the adjustable feet under the frame.
- Make sure the that the wall installation is intact.

3. Cleaning

Clean with lukewarm water and a non-scratching detergent containing soap or similar. Use a soft cloth or similar. After cleaning the surfaces shall be dried to avoid lime deposits.

Scratching detergents or tools e.g. steel wool may not be used.

Cleaning the plastic surface - ABS plastic:

The surface is easy to keep clean. Use cleaning spirit to ensure hygiene.

Do not use abrasive or corrosive cleaning agents, this might damage the finish.
