

EN Installation instructions Baby changing table 327 / Washing bench 328

1. Installation

Place the changing table on the selected position.

Adjust the feet so that the changing table stands firmly on the floor and that it is level.

Baby changing table 327

Washing bench 328

IMPORTANT for model 327:

The top should be screwed to the wall through the holes in the rear of the top plastic.

IMPORTANT for model 328!

Use the delivered installation-brackets (angles) to fix the changing table to the wall with suitable screws.

2. Mounting accessories

Fit the mixer tap with hand shower.

Connect the flexible water hoses to the mixer tap.

Flexible drain hose is supplied for connection to sewer.
