### Minimax 50

7113764UK - Minimax 50 with NOOD trap, plastic white grate and 50mm to 1½" push fit to solvent weld ABS adapter

7113605 - Purus Knife for installation into vinyl flooring

Self-Supporting Wetroom Former Tray (see table below for sizes)

*or*

7133681 - Purus Plate 130 for building falls into concrete screeds

### Mini Brage 50

7113539UK - Mini Brage 50 with Flexi-NOOD, plastic white grate and 50mm to 1½" adapter push fit to solvent weld ABS adapter

7113605 - Purus Knife for installation into vinyl flooring

Self-Supporting Wetroom Former Tray (see table below for sizes)

*or*

7133681 - Purus Plate 130 for building falls into concrete screeds

### **Mini Brage 110**

7113538UK-F - Mini Brage 110 with Flexi-NOOD and white plastic grate

7113605 - Purus Knife for installation into vinyl flooring

Self-Supporting Wetroom Former Tray (see table below for sizes)

*or*

7133681 - Purus Plate 130 for building falls into concrete screeds

*Available as extras for Mini Series Gullies into Joists using Vinyl Flooring are:*

- Round Stainless Steel Grate for Vinyl Floors (see table below for designs)
- 7138417 - Locking Nuts for Plastic Grates - these are not essential but can be used where there is a concern that the grates may be removed

## **Installing the Mini Series into Concrete using Ceramic Tiles**

### **Minimax 50**

7113764UK - Minimax 50 with NOOD trap and 50mm to 1½" push fit to solvent weld ABS adapter

7141345 - Purus Support for installation into concrete screeds

Stainless steel PK155 grate – 155x155mm – for tiled floors (see table below for designs)

*or*

Tile adapter frame with stainless steel grate (see table below for designs)

### **Mini Brage 50**

7113539UK - Mini Brage 50 with Flexi-NOOD and 50mm to 1½" adapter push fit to solvent weld ABS adapter

Stainless steel PK155 grate – 155x155mm – for tiled floors (see table below for designs)

*or*

Tile adapter frame with stainless steel grate (see table below for designs)

### **Mini Brage 110**

7113538UK-F Mini Brage 110 with Flexi-NOOD

Stainless steel PK155 grate – 155x155mm – for tiled floors (see table below for designs)

*or*

Tile adapter frame with stainless steel grate (see table below for designs)

*Available as extras for Mini Series Gullies into Concrete using Ceramic Tiles are:*

- Self-Supporting Wetroom Former Trays – to avoid building falls in the concrete screed (see table below for sizes)
- Puragum Tanking Kit PTK001

- 7113605 - Purus Knife for installation into vinyl flooring
- 70001 - Square Installation Gasket, 400x400mm  
or
- 70004 - Butyl self-adhesive square gasket, 400x400mm

## **Installing the Mini Series into Joists using Ceramic Tiles**

### **Minimax 50**

7113764UK - Minimax 50 with NOOD trap and 50mm to 1½” push fit to solvent weld ABS adapter  
Stainless steel PK155 grate – 155x155mm – for tiled floors (see table below for designs)

*or*

Tile adapter frame with stainless steel grate (see table below for designs)

Self-Supporting Wetroom Former Tray (see table below for sizes)

*or*

7133681 - Purus Plate 130 for building falls into concrete screeds

### **Mini Brage 50**

7113539UK - Mini Brage 50 with Flexi-NOOD and 50mm to 1½” adapter push fit to solvent weld ABS adapter

Stainless steel PK155 grate – 155x155mm – for tiled floors (see table below for designs)

*or*

Tile adapter frame with stainless steel grate (see table below for designs)

Self-Supporting Wetroom Former Tray (see table below for sizes)

*or*

7133681 - Purus Plate 130 for building falls into concrete screeds

### **Mini Brage 110**

7113538UK-F Mini Brage 110 with Flexi-NOOD

Stainless steel PK155 grate – 155x155mm – for tiled floors (see table below for designs)

*or*

Tile adapter frame with stainless steel grate (see table below for designs)

Self-Supporting Wetroom Former Tray (see table below for sizes)

*or*

7133681 - Purus Plate 130 for building falls into concrete screeds

*Available as extras for Mini Series Gullies into Concrete using Ceramic Tiles are:*

- Puragum Tanking Kit PTK001
- 7113605 - Purus Knife for installation into vinyl flooring
- 70001 - Square Installation Gasket, 400x400mm  
or
- 70004 - Butyl self-adhesive square gasket, 400x400mm

## Product Codes - Mini Series, Grates & Accessories

Mini Series Gullies	Product Code
Minimax 50 with NOOD trap, plastic white grate and 50mm to 1½" push fit to solvent weld ABS adapter	7113764UK
Minimax 50 with NOOD trap and plastic white grate	7113764
Mini Brage 50 with Flexi-NOOD, plastic white grate and 50mm to 1½" adapter push fit to solvent weld ABS adapter	7113539UK
