

Product	Toilet seat Dania with cover, 50 mm raised	
Item number	<p>R33000 VVS:615685000 RSK:7972415 EAN:5708590070520 HMI: HMI 1810 NBS:N13:300</p>	
Colour	White	
Product description	<p>Toilet seat, Dania, with stabilising buffers, w/cover, raised 50 mm With raised cross bar hinge</p>	
Maximum load	<p>This product has been tested statically up to 225 kg. As the European standard for technical aids for disabled, BS/EN 12182:2012, requires a static test with safety factor 1.5, the nominal maximum load for this product is therefore 150 kg.</p>	
Materials	<p>Seat/cover: Thermoset plastic (urea) Strap: Stainless steel V2A Raiser: Nylon (PA) Special buffer: ABS-plastic</p>	
Ergonomy	<p>An ergonomically designed seat that is well suited to most people. Sideways transfer is easy because the seat is rather flat. The cover is comfortable to sit on, and when set upright it gives good support to the back.</p> <p>Raised 5 cm to make it less difficult to sit down and stand up.</p>	
Cleaning	<p>Use a mild soap solution to clean the seat. Please take care that the seat and hinges are not left damp. Dry off any residual water or cleaning agent with a soft cloth. Avoid contact of the seat and hinges with abrasive, corrosive or chlorine-based cleaners, as these may cause damage or lead to flash rust. Therefore, when cleaning the bowl, make sure that the seat and cover are kept in an upright position until all cleaning agent has been flushed away.</p>
