Product Code: 61310

Product Images

Description

Granberg control button in Alu. Design, designed for Granberg's electrically operated rise and fall Verti and Diago wall cabinet lifting systems.

Key benefits:

- Alu. Design corded control button with up / down decals
- Can be recessed into the worktop fascia of the Granberg HA Baselift and Manulift height adjustable worktop lifting systems
- Plastic construction with aluminium finish
- Supplied with single button plastic frame in aluminium finish

Technical details:

- Dimensions (mm): 82 x 82 x 17
- Minimum depth for installation (mm): 25
- Power: 24 V DC
- Supplied with 7m control cable, requires a 20mm conduit to be chased into the wall between the switch and wall cabinet lift

Please note:

- Multiple (2 and 3) buttons for controlling separate Granberg lifts can be mounted together
- To achieve this, please see the Compartment Frames (Product Codes: 61352 and 61353)
- Front shown in image not included

Warranty:

- 3 year manufacturer warranty
