Description

This roller screen can be fitted to a Diago 504 wall cabinet lift to hide the lift's mechanisms from view. As the cabinet lowers from the wall the screen extends to cover the mechanism.

This version of the screen is suitable for cabinet widths of between 600-1100mm.

Key benefits:

- Roller screen which extends as the Diago lowers - hides all the mechanisms from view
- Actual screen width 600mm
- Suitable for Diago 504 systems with cabinet widths between 600-1100mm
- Grey colour

Warranty:

- 2 year manufacturer warranty
