Description

Straight handrail section 2400mm length, 33mm diameter. Includes male and female connections at end of the rail.

When installed correctly with other components from the Pressalit PLUS handrail system, the rail will have a 50mm projection from the wall making it easier to take hold of the rail.

The rail has a warm slip resistant surface, that is not cool to touch.

Key benefits:

- Straight handrail section 2400mm length
- Reversible right/left
- Diameter (mm): 33
- Projection from wall (mm): 50
- For fixed mounting
