AWS Regent 1750mm Stainless Steel Straight Grab Rail - MPF

£147.42 Inc. VAT

Product Code: AWS-0034

Product Images

Description

The AWS Regent is a luxury range of stainless steel handrails defined by its smooth curved design.

Constructed from high quality materials and featuring low profile cover plates, the 35mm diameter gives the rail increased strength and stability.

This version of the AWS Regent is 1750mm long with three fixings points, and comes in a mirror polished

finish.

Key benefits:

- 304 grade stainless steel grab rail with mirror polish finish
- Ideal for use in wet and damp areas
- Concealed fixings with low profile cover plates
- 1750mm length rail with 3 flange fixing
- 35mm diameter
- Doc M compliant
- Made in Britain
- Matching AWS Regent grabrails and accessories also available

Technical details:

- Overall length (mm): 1830
- Centre to centre length (mm): 1750
- Rail diameter (mm): 35
- Free space between wall and rail (mm): 72.5
- Overall projection from the wall (mm): 107.5
- Concealed cover plate diameter (mm): 80
- Concealed flange depth (mm): 11

Warranty:

- 10 year manufacturer warranty

Please note:

- The fixing holes require size 8 screws that are not included - the installer should select the correct fixing based on wall type
