Description

The Armitage Shanks Salonex is an ergonomically shaped hairdressing basin made from vitreous china.

Its clean white finish and elegant curves are matched by exceptional craftsmanship for a sturdy and stylish result.

This version of the Salonex comes as a kit for height adjustable installations. Sideways movement is also achieved, as the vertical bracket is mounted onto a 600mm length horizontal PLUS wall track.

The kit also includes the Starlite mixer tap, hose and handset, a 1¼" strainer waste, and flexible feed and waste kit.

Key benefits:

- Hairdressing basin kit
- Height adjustable - lever operated manual adjustments with gas assistance
- Sideways adjustable - vertical bracket mounts onto horizontal wall track
- Includes washbasin, tap, hose and handset, strainer waste, flexible feed and waste kit, vertical bracket and horizontal PLUS wall track
- Manufactured from high quality materials by Armitage Shanks

Includes:

- Armitage Shanks PLUS Mounting Bracket for Wall Track
- Armitage Shanks PLUS Track 600mm Length
- 2x Armitage Shanks PLUS wall track stop ends
- Armitage Shanks Salonex 64cm Washbasin with 2 Tapholes
