£96.84 Inc. VAT

Product Code: R2059

## Product Images

## Description

Pressalit R2059 vent kit for manual, gas and electric height adjustable washbasin systems.

Replaces the standard Ø 32mm x 210mm waste elbow in the R2071, R2074, R2075 and R2077 flexible waste kits and connects to the R2058 Shallow Water Trap.

### Key benefits:

- Chromed plastic finish
- Air relief vent with one way valve
- Ø 32mm x 210mm overall length
- Cut to length as required
- Designed for use with Pressalit R2058 Shallow Water Trap
- Replaces the standard waste elbow in the R2071, R2074, R2075 and R2077 Flexible Wastes for washbasin lifts
- Prevents trapped air when using a flexible waste that may prevent the waste water flowing away properly
- Suitable for manual, gas and electric height adjustable washbasin installations

**Warranty:**

- 5 year manufacturer warranty
