Description

The AKW / Contour Swift shower tray gives you the perfect choice when a practical, corner entry shower area is required.

Once fitted a Swift shower tray provides barrier-free, level access for those with mobility difficulties.

Also, installing a Swift tray only requires the removal of 18mm of flooring, the equivalent of a floorboard.

Key benefits:

- With TRUESEAL2 creates a leak free joint when hot welding vinyl safety flooring to the tray
- For suspended timber or concrete / screed floors
- Barrier free, level access - assists effortless wheelchair entry
