Granberg Radio Control Button, Alu-design, Extension Frame - 1x Diago / Verti Wall Cabinet Lift

£412.56 Inc. VAT

Product Code: 61371-61355

Product Images

Description

This wireless button can be used to remotely control either the Diago or Verti wall cabinet lifting systems.

Simple to install, it requires no wiring between the wall cabinet lift and the switch. An additional socket outlet is required for the receiver.

The Extension frame creates a large handheld control button for surface fixing, giving you the freedom of location with an approximate 5m range.

Technical details:

- With up / down decals
- Alu-design single channel wireless control switch
- Plastic construction with aluminium finish
- Extension frame of plastic construction - Light grey in colour
- Dimensions L x W x D (mm): 82 x 82 x 52
- Overall depth of installed switch and extension frame (mm): 52
- Supplied with button battery of type CR 2032 (3 V)
- The remote receiver for the Diago and Verti wall unit lifts require a separate plug socket for the remote receiver

Warranty:

- 2 year manufacturer warranty
