Description

These AWS shower riser rail kits offer a more premium option for those looking to adapt with style.

The stainless steel grab rail with chrome shower head and hose results in an adaptive shower solution that avoids the typical "care home" look.

The white colour handset holder features a simple to operate paddle lever, and the multi-spray shower head is easily switchable with its clever push button design.

Key benefits:

- Premium shower riser rail kit for disabled and less abled adaptations
- 900mm length, 32mm diameter stainless steel grab bar
- White (RAL 9016) colour sliding handset holder with easy to use paddle lever
- Chrome shower head with 3 spray settings and simple push button control
- Chrome flexible shower hose in a choice of length - 1500 or 2000mm

Technical details:

- Rail length (mm): 900
- Rail diameter (mm): 32
- Shower hose length (mm): 1500 or 2000
