Description

The mini cupboard fits perfectly under the Granberg height adjustable kitchen systems including the island Centerlift 6490, Baselift Series and Manulift worktop systems.

A handy addition to an assisted kitchen, with large integrated handle to aid easier movement of the unit around your kitchen.

Featuring a clean white finish, the cupboard is mounted on wheels, with a 5th wheel positioned under the pull-out bottom drawer, to prevent the unit from tipping over and forwards.

This version of the mini floor cupboard features 2 x fully extendable drawers with soft-close.
