Product Images

Description

Fitting kit for mounting hanging cabinets to the Granberg Centerlift 6490H and Sidelift 6400.

One set is required per cabinet.

Key benefits:

- Fittings for mounting the Granberg hanging cabinets
- Compatible with the Granberg Centerlift 6490H and Sidelift 6400
- One set required per cabinet
- Please download the PDF installation instructions of the Granberg Sidelift 6400 or Centerlift 6490H for more information

Please note - Side cabinet hanging:

- That only one hanger bracket is used at the rear when the cabinets are mounted directly against the sides
- An M8 x 20 mm screw is used in the side piece instead
- The cabinet will remain fixed in place

Warranty:

- 2 year manufacturer warranty
