Granberg Ergosteel ES Series - Rotary Valve for a 90mm Dia. Sink Waste

£209.52 Inc. VAT

Product Code: 618-021

Product Images

Description

Granberg rotary valve for sinks for the Ergosteel ES range of shallow bowl kitchen sinks with a 90mm diameter waste outlet.

With a rotary waste valve, the drain is opened / closed with a lever that needs to be recessed into the surface of the sink / worksurface.

Key benefits:

- Ideal for those with limited reach mobility, to reach the strainer waste basket to empty the sink
- Includes the circular overflow grate and flexible pipe
- Compatible with the standard waste kit that is supplied with the Granberg Ergosteel ES range of shallow bowl kitchen sinks
- Requires a hole to be made in sink / worksurface

Warranty:

- 2 year manufacturer warranty
