Product Options

Colour	Price Inc. VAT
Pressalit White 000	£3,601.80
Pressalit Anthracite 112	£3,601.80

Description

Manual height adjustable toilet lifter from the Pressalit SELECT range with side profiles, for optional support arms (order separately).

The integral vertical side profiles allow for the addition of PLUS left and right hand operated support arms in 700 or 850mm lengths to suit standard or projected hung toilet pans.

The toilet can be adjusted 300mm with a side mounted crank handle, from 425mm to 725mm, so the height can always be perfectly matched to mobility aids such as a wheelchair.

Includes a Geberit concealed cistern with dual flushing, pre-set at 3/6 litres. The toilet lifters front cover is available in a choice of colours.

This version is for a through floor waste outlet only.

Key benefits:

- SELECT TL2 toilet lifter, manually height adjustable with the crank handle
- With integral vertical side profiles allow for addition of PLUS left and right hand operated support arms
- Order Plus folding support arms separately, 700 and 850mm lengths. A range of colours are available
- The toilet can be raised and lowered 300mm using the crank handle

EORI GB942447711000

- The crank handle can be positioned on either side of the lifter – without the need for tools
- It is possible to adjust the height of the toilet lifter using an electric drill as an alternative to the crank handle
- Designed with a minimum of grooves, slots and holes makes cleaning fast and effective
- Geberit cistern with dual flushing system pre-set at 3/6 litres
- The toilet pan and toilet seat are not included (order separately)
- Pressalit backrests fixed and removable can be fitted to the front plate (order separately)
- Choice of front cover colour

WC pan compatibility:

- Toilet lifter WC pan fixings 180mm c/c
- Compatible with the Pressalit Wall hung toilet pans with a 540mm or 700mm projection
- Please contact us to check for compatibility with a shower toilet.
