Description

Manual height adjustable toilet lifter from the Pressalit SELECT range.

The toilet can be adjusted 300mm with a side mounted crank handle, from 425mm to 725mm in height, so the height can always be perfectly matched to mobility aids such as a wheelchair.

Includes a concealed cistern with dual flushing system pre-set at 3/6 litres with a cover available in a choice of colours.

This version has no support arms and has a floor waste outlet.

Key benefits:

- SELECT TL1 toilet lifter, manually height adjustable with a crank handle
- The toilet can be raised and lowered 300mm using the crank handle
- The crank handle can be positioned on either side of the lifter – without the need for tools
- It is possible to adjust the height of the toilet lifter using an electric drill as an alternative to the crank handle
- Designed with a minimum of grooves, slots and holes makes cleaning fast and effective
- Geberit cistern with dual flushing system pre-set at 3/6 litres

- Pressalit backrests fixed and removable can be fitted to the front plate (order separately)
- The toilet pan and toilet seat are not included (order separately)
- Choice of front cover colour

WC pan compatibility:

- Toilet lifter WC pan fixings 180mm c/c
- Compatible with the Pressalit Wall hung toilet pans with a 540mm or 700mm projection
