Pressalit HepVo in-line Trap - White

£87.96 Inc. VAT

Product Code: R2076

Product Images

Description

Pressalit R2076 HepVo in-line trap. Can be mounted vertically or horizontally.

Suitable for use with PLUS washbasin brackets and the SELECT washbasin lifters.

HepVo in-line trap is unique - it helps maintain the pressure balance in the drain installation.

Connects to the horizontal wastewater elbow from basin waste and to the flexible wastewater hose.

Key benefits:

- Prevents odours from the drainage system
- Can be mounted vertically or horizontally
- Works without water
- White in colour

Installation:

- Shorten the flexible hose if necessary
- Apply the attached sealing compound to the ends of the clean flexible hose
- Screw on the connecting pieces T4653 and T4631 to the ends of the tube
- Spread out the compound within 15 minutes
- The sealing compound hardens in 24 hours

Warranty:

- 5 year manufacturer warranty
