Description

The Cornerstone® Maxx pull out shelving unit by Vauth-Sagel is a pull-out corner storage unit, the shelves can be moved in and out independently and do not obstruct the adjacent cabinet, with the (PAM) Power Assisted Movement in pull-out direction.

The floating shelves, feature hidden fastenings making the Cornerstone® Maxx a stylish and modern storage system.

Suitable for 900mm wide kitchen base units, the system is ideal of retro-fitting into existing right hand corner base units, the height is easily adjustable, even when installed.

With a maximum load of 25kg (evenly distributed), the large area metal shelves have a modern Lava Grey finish with curved sides.

This is the right hand version of the unit, please check your handing prior to ordering.

Set includes:

- 2x Metal shelves with curved sides in a Lava Grey finish
- 1 x Pull-out and pivoting mechanism
- Fitting instructions
