Removes the need for expensive construction work, can be easily cleaned, rolled up and stored. RT50 - width 90cm (35.4") x 500cm (16ft 5") length and 40kg (88lbs) weight.

Description

Rollout-Trackway™ is an instant access solution for grass, gravel, and other uneven surfaces and is ideal for placing at either end of ramps.

Removes the need for expensive construction work and can easily be cleaned, rolled up and stored.

The tough rubber matting can cut to length and to fit around flowerbeds, paving upstands and drainpipes etc.

Available in three lengths 150cm (4ft), 250cm (8ft 2") and 500cm (16ft 5") all of which are 90cm (35.4") wide.

Key benefits:

- Covers grass, gravel and other uneven surfaces for easy wheelchair and pedestrian access

- Ideal for events and short-term uses
- Can be left in place for long-term use
- Totally weather resistant with full drainage, perfect for the British weather!
- Good value for money
- Designed and stocked in the UK
- Range of lengths select above
