Description

Superwide Permaramp®-Adjust are height adjustable single length ramps that are non-folding and without handrails, they are semi-permanent and relocatable.

The telescopic legs can be adjusted to accommodate different threshold types and have a total height adjustment from between 7.5cm (3ins) to 25cm (10ins).

Ideal for use with single outward opening doors with a timber or uPVC door threshold.

Manufactured from aluminium with the unique Gripdeck™ surface that offers an excellent all-weather grip surface while also being high heel and pet friendly.

The superwide Permaramp®-Adjust ramp is available in 6x lengths all with a 90cm (35.4") width.

Key benefits:

- Easy height adjustment and installation from above
- Designed to clear protruding timber and uPVC door thresholds and sills
- Fix to any firm flat or sloping surface
- Contrasting colour safety edge strips increase visibility for the visually impaired
- Perfect for single outward opening doors
- Great bariatric ramp solution
- Suitable for extra wide scooters, mobility walker frames and wheelchairs
- Options for fixing the ramp at the top and bottom for security and safe use
- Gripdeck™ surface with incredible grip with sustained outdoor use
- A narrower standard width 70cm (30") ramp is also available see (Product Code: PA9-PA24)
- Designed, manufactured and stocked in the UK

- Entry flap accessory available to transition right into the property see (Product Code: PE5)
