Description

Welcome modular wheelchair access ramp system for domestic use with a double handrail available in 6x colour combinations, that can be located either side of the ramp.

Available in a range for lengths 120cm (4ft) to 480cm (16ft).

This system offers fast assembly, by one person and can be easily transported, dismantled and re-assembled and re-used as required. Offering huge benefits over traditional concrete ramps.

Suitable for a minimum step height 12.5cm (5") to 33cm (13") that can be increased to a maximum height of 50cm (20") with Leg Extensions (Product Code: WLX).

Longer ramps are ideal for higher levels. For outward opening doors and or if a rest area is required, ramp kits with platforms are also available.

Key benefits:

- The ramp is fully self-supporting making the system ideal for uPVC door thresholds
- Extremely durable construction and finish, designed for outdoor use
- Easily modified, adapted and reused
- Fast one-person install the heaviest component is 16kg
- The Gripdeck wearing surface is friendly to pets, high heels and has a superb grip when wet
- Built to last, the system has a huge 400kg capacity
- The handrails are pre-galvanised steel with a powder coated finish that is durable yet 'warm to the touch'
- The height adjustable legs can be adjusted to suit ground variations and a range of step heights
- Materials: Aluminium and galvanised steel
- Designed, manufactured and stocked in the UK for next-day delivery

Choice of 6x handrail colour combinations:

- **Original Graphite:** Universally appealing soft dark grey - Posts and upper rails
- **Garden Green:** A traditional deep green, perfect for garden environments - Posts and upper rails
- **Heritage Brown:** A dark, rich brown to complement traditional and heritage buildings - Posts and upper rails
- **Safety Yellow:** A rich yellow, perfect for visual safety needs – Posts and upper rails

- **Safety Yellow horizontal rails:** With posts in either Garden Green or Heritage Brown
- All rails have Black plastic end caps and Black straps securing the horizontal rail
- Colour matched Bowends also available for the ends of the Double handrails (Product Code: WRBE) order separately

Technical specification:

- Range of lengths select above: 120cm (4ft) to 480cm (16ft)
- Internal ramp width - 90cm (35")
- External ramp width - 100cm (39.4")
- Kerb height - 8cm (3")
- Mid rail height - 60cm (24")
