RampCentre NEW Aerolight-High Rise Portable Ramp Combo, 76 W x 300cm Length

£1,417.20 Inc. VAT

Product Code: HR30

Product Images

Description

The NEW Aerolight®-High Rise combines the benefits of 2x AX15 Aerolight-Xtra Premium Folding Suitcase Ramps with a AJ4 Joining Support create a longer ramp 300cm (10ft) in length.

A convenient, portable solution for multiple and higher steps, such as a patio to garden situation with a maximum height of 37.5cm (15 inches) with a 1:8 gradient.

The Rollout Trackway (Product Code: RT15-50) shown in the product images can be used to protect grass and provide a suitable surface for walker frames and wheelchairs etc.

The folding ramps are easier to store and ideal for situations where ramps cannot be left in place at all times, but storage space is also limited.

Lightweight, hardwearing and non-slip surface that supports up to 350kg maximum load.

Fully adjustable for any height and gradient, dependent on length used.

Other kits are available in a range of lengths 360cm (12ft), 420cm (14ft) and 480cm (16ft).

Key benefits:

- Lightweight
- Compact storage as the ramp folds and clips together
- Flat hinge on the underside, ensures the best step clearance
- Colour contrasting edge strips increases visibility for the visually impaired and reduced trip hazard
- Easy to carry and deploy
- Plastic carrying handles
- Full width folding access ramp
- Anti-slip surface provides excellent grip
- When folded the wearing surface is on the inside, making carrying, deployment and storage easy
- Fully adjustable for any height and gradient
- Designed, manufactured, and stocked in the UK

- Save £'s by buying as a kit

Technical details:
