Description

Doorline™-Variwedge is a height adjustable wedge ramp that will overcome almost any timber or uPVC door thresholds, for internal and external applications.

Manufactured from aluminium this hard wearing ramp has durable designer-finish to suit any internal décor.

This ramp is fully adjustable, so it can be recycled and re-used again and again. It also has rubber strips to prevent slipping and protect to floor finishes.

Available in three sizes, small, medium and large. All are 74cm (29.1") wide.

Key benefits:

- Ideal for timber and uPVC door thresholds
- Fully adjustable in under a minute with the spanner supplied with the kit
- Excellent surface grip
- Extremely durable, with a designer-finish to suit any internal décor
- Can be fixed in place for maximum stability and security
- The underside has a rubber strip to grip and protect floor finishes
- Can be removed and re-used elsewhere
- Designed, manufactured and stocked in the UK
