Supplied in pairs.

Description

Ultralight-folding™ channel ramps ideal for those on the move and for bridging door thresholds, these ramps fold in half to make them more compact for storage.

Ideal for kerbs and single steps for wheelchair users, both standard and powered due to the low sides and long bevelled edges.

Available in three sizes with an overall length of 110cm (3ft 7"), 150cm (4ft 11") and 200cm (6ft 7").

Key benefits:

- Designed for use with kerbs and single steps
- Can be used to bridge door thresholds
- Increased clearance for scooters and power chairs, due the low kerbs and long bevelled sides
- Compact storage
- Designed, manufactured, and stocked in the UK

Technical details:

- All ramps have an Internal track width of: 21cm (8.27")
- All ramps have a kerb height of: 5cm (2")
