	Without dishwasher shut off (Not WRAS approved)	£482.40

Description

Granberg's Sink Module 6300-ES11C, 300mm of step less height adjustment with a 30mm White laminate worktop. This wall mounted electric worktop lift features a centre mounted ES11 under-glued inset shallow 120mm depth kitchen sink bowl with overflow and insulated underside to prevent scalding and burns to the user.

Choice of optional Granberg FM Mattsson kitchen monobloc mixer taps, 190mm easy to reach lever with a swivel spout - with or without dishwasher cut-off valve.

ALU-design control button and safety lock, pre-fitted in the fascia front, with rear cover panels that are easy to fit concealing the legs and services.

Compatible with any kitchen manufacturer this complete electric worktop lifting system is easy and quick to install with "Plug and Play" electronics and motor systems.

The modules are manufactured 10mm shorter in width, to allow for a 5mm clearance gap at both ends for safe movement, ideal for the direct replacement of 800 to 1600mm width cabinets. The module has a reduced depth of 15mm to accommodate splashbacks and wall tiles.

The anti-pinch safety strip is located under the front edge of the worktop front fascia. If anything touches the strip, the lift unit stops. Side safety strips are available as an optional extra.

Electric floor standing systems or Manual wall mounted variations are also available.

Key benefits:

- Centre mounted kitchen sink module with 300mm of motorised height adjustment, 700-1000mm above floor, plus the 30mm worktop
- Worktop décor - K1040 Un 30mm White Laminate finished with a brushed aluminium rear edge trim
- The wall mounted legs are concealed by 2x matt white sliding cover panels with 2x dark grey coloured steel end plates
- Tilt able worktop plane for adjustment
- Full extension drawers can be added, as a factory fitted option - (Contact us if required)
- Range of widths 790, 990, 1190, 1390 and 1590mm to suit standard kitchen base unit spaces: 800, 1000, 1200, 1400 and 1600mm
- The modules are 10mm shorter in width to allow for a 5mm gap both sides of the unit for the up/down movement
- Adjustable depth 576-606mm including the Alu. front to suit adjoining cabinets and worktops
- 100mm free space below each leg for services
- Quick solution, top frame supplied pre-assembled for fast site installation
- Simple 'plug and play' setup for easy motor configuration
- Granberg corded control button ALU-design 82 x 82 x 17mm, with large easy to use up/down buttons
- White Powder Coated RAL 9003 aluminium 103mm fascia front with plastic end caps
- The control button and key lock are factory fitted in the fascia front in your specified position
- Centre mounted ES11 insulated single bowl kitchen sink with overflow. Inset and under-glued into the worktop
- Optional Granberg FM Mattsson (FMM) kitchen monobloc mixer tap with 190mm easy reach lever and swivel spout that can be adjusted to 60°, 85°, 110°, 360° or fixed
- Pair of flexible Water Hoses 2-pack, 3/8", length 500mm with Tap connectors for FMM taps

Choice of tap style:

- - 60210 FMM Inc. dishwasher shut off valve (Not WRAS approved)
- - 60211 FMM Excl. dishwasher shut off valve (Not WRAS approved)

- All components available separately

Integrated safety system:

- Anti-pinch safety stop strip located below the front edge of the worktop frame
- This strip prevents the lift from descending if contact is made
- Additional side safety stop strips can be added, required if the worktop is situated adjacent to other furniture* or objects like a waste bin
- *When correctly installed the frames underside from the floor should be 597mm at its lowest and 897mm at the highest point. Entrapment should be prevented with adjoining surfaces

Sink Module 6300-ES11 Centre includes:

- Wall mounted motorised 6300 worktop lift with 2x leg motors
- Control button, ALU-design
- Safety lock with keys
- Safety stop system under the front edge of the worktop frame
- 2x 12mm matt white melamine cover panels hide service installations under the worktop
- White aluminium front fascia
- Worktop décor - K1040 Un 30mm White Laminate
- Brushed aluminium rear edge strip
- Centre mounted - ES11 under-glued inset sink with a shallow trap, strainer waste and a flexible drain hose
- Optional choice of Granberg FMM Mixer tap with long lever with or without dishwasher cut-off valve, and flexible water hoses
- Note: Tap hole undrilled - Tap hole cutter included

Recommended accessories:

- Full extension, integrated drawers with a push-to-open function
- Cutlery trays
- Power Switch
- 2 Button multi-compartment frame
- Mini cabinet on wheels
