Description

The Aio cool touch bar mixer shower part of Methven's luxury bar mixer shower range. The Aurajet technology delivers a full-bodied spray with maximum body contact and all-over warmth.

With an adjustable chrome riser rail with the innovative halo shaped Aurajet shower handset that offers a whole new experience in showering.

The 800mm riser rail with adjustable wall mounting brackets is ideal for retrofitting to match existing installation holes, with hole spacing from 570mm to 745mm.

Key benefits:

- Easy to use by all the family
- Factory pre-set temperature: 38°C
- Eco flow control with override facility
- Unique designer Aurajet handset with a single spray function
- Aurajet handset resists the build-up of limescale
- Adjustable rail kit, with soap dish and wall brackets
- Water efficient without compromising showering performance
- Separate flow and temperature controls
- Supplied with 9 L/min flow regulator
- Suitable for High/Mains pressure
- 1/2 turn ceramic discs for smooth on / off operation
- 1500mm Twist free shower hose with 360° swivel adaptor for easier showering
- Easy fit connections
- Colour: Chrome

Safety features:

- Valve is safe and cool to touch making it ideal for families
- Thermostatic valve with 38°C temperature stop (with override)
- Accurately controls the water temperature to remain below a pre-set level to avoid scalding
