## Description

Granberg Workbench module 6350HA-CT, wall mounted with 300mm of step less height adjustment by a cranked winding handle, with a 30mm White laminate worktop.

Ideal for use as a workbench, a 2 or 4 zone induction cooking hob can be inset into the worktop (please note Gas hobs are not recommended).

The folding crank handle, prevents removal and theft, that can be ordered left or right hand mounted.

Pre-fitted White front facia, the rear cover panels are easy to fit and hide the legs and services.

Compatible with any kitchen manufacturer this complete manual worktop lifting system is easy and quick to install.

The modules are manufactured 10mm shorter in width, to allow for a 5mm clearance gap at both ends for safe movement, ideal for the direct replacement of 1200 to 1600mm width cabinets. The module has a reduced depth of 15mm to accommodate splashbacks and wall tiles.

Electric floor standing systems or Manual wall mounted variations are also available.

### Key benefits:

- Worktop module with 300mm of hand cranked height adjustment, 700-1000mm above floor, plus the thickness the 30mm worktop
- Folding crank handle, prevents removal and theft
- Worktop finished with a brushed aluminium rear edge trim
- The wall mounted legs are concealed by 2x matt white sliding cover panels with 2x dark grey coloured steel end plates

- Tilt able worktop plane for adjustment
- Full extension drawers can be added (except; below a hob) as a factory fitted option - (Contact us if required)
