Description

The Granberg 334 is a height adjustable baby changing table with mattress and a 200mm high transparent plexiglass border on three sides.

When the plexiglass high edge is fitted, the table cannot be folded against the wall, when not in use.

Ideal for schools, nurseries and day-care centres, the height can be adjusted quickly and provides a safe and secure area for changing.

This version of the 334 is 800mm wide and offers a large height adjustment range of 720mm.
