Granberg 370mm Side Safety Stop Strip for Modules, Baselift Series & Plusmodule

£245.16 Inc. VAT

Product Code: 61430

Product Images

Description

This Granberg side safety stop strip prevents an electric worktop lifting system from operating in the event of hitting an obstruction.

Supplied as a factory fitted optional extra when ordering a worktop lift from the Granberg Modules, Baselift 6300 / 6310 and Plusmodule series.

Essential for creating a safe system for commercial or domestic installation.

Key benefits:

- Compressible safety stop that prevents movement of lifting system in the event of an obstruction
- Supplied as a factory fitted optional extra for the Granberg Baselift and Plusmodule series of electric worktop lifts

Note:

- If you are Retro fitting to an existing Granberg Module, Baselift or Plusmodule, please contact us

Warranty:

- 2 year manufacturer warranty
