Description

Methven luxury bath shower mixer, deck mounting legs with a Maku Satinjet handset, smooth shower hose and wall bracket.

The bath filling spout projects 93mm, with easy ¼" turn lever handles that can be easily operated by the whole family.

The shower offers a full-body shower experience, like no other. Exclusive to Methven. Satinjet's colliding twin jets produce over 300,000 droplets of water per second for the ultimate shower experience.

Key benefits:

- 93mm spout projection
- Easy to operate ¼" lever handles
- Ceramic disc handles ensure a smooth operation
- Easy switching with the push/pull diverter - between bath and shower functions
- 1500mm PVC chrome smooth flexible shower hose and wall bracket
- Supplied with 9l/min flow regulator
- Water efficient without compromising showering performance
- Single mode Maku Satinjet handset - Chrome & Graphite
- Separate flow and temperature controls
- Suitable for all Pressures

Satinjet® Handset explained:

- Methven's Satinjet shower handset is unlike conventional showers
- Twin-jet technology controls the flow creating the optimum water droplet size and pressure, with over 300,000 droplets per second
- The Satinjet offers a luxury and immersive, full-body shower sensation that transforms your regular shower into an experience like no other
