Description

Inta knee operated multi-directional exposed valve with 350mm lever.

For controlling single feeds of hot, cold or blended water supplies via a TMV.

With a 15 second timed flow, it reduces wastage and delivers water in a hygienic way.

The valves should be mounted on a tiled wall or similar water proof surface.

Multi directional timed flow controllers are easy to use and vandal resistant, making them ideal for wide range of applications.

Key benefits:

- Water saving
- Hygienic
- Robust construction
- Vandal resistant
- Easy to install

Technical details:

- Min. Inlet Pressure: 0.1 bar
- Max. Inlet Pressure: 5 bar
- Max inlet temperature: 65°C
- Flow time: 15 sec. at 3 bar
- Inlet connections: 15mm / G ½"
- Outlet connections: 15mm / G ½"

Warranty:

- 1 year manufacturer warranty

Additional Information

Manufacturer	Inta
Application	Basin
Tap Style	Wall Mounted Valve
Mounting	Wall
Operation	Hand / Knee Operated
Water Pressure	Low, Normal Mains
Technologies	Exposed Bottom Entry, Exposed Top Entry, Water Saving, TMV a Recommended Extra, Vandal Resistant
