Description

Inta foot operated wall mounted mixing valve with hot and cold inlet feeds.

For the delivery of water in a controlled and hygienic way.

The valves are simple to install and easy to use, making them ideal for wide range of applications.

Key benefits:

www.independent4life.co.uk | info@independent4life.co.uk | Tel: 0800 500 3001 | VAT No: 942447711
EORI GB942447711000

- Individual pedal controls for hot and cold water
- Hygienic
- Robust construction
- Vandal resistant
- Durable
- Dual inlets for blended hot water, via a Intamix TMV and cold water supplies
- Easy to install

Technical details:

- Mixing valve
- Min operating pressure: 0.5 bar dynamic
- Max operating pressure: 8 bar static
- Inlet temperature range: 5-70°C
- Inlet connections: G ½" (x2)
- Outlet connections: G ½"

Please note:

- If used for hot water in order to prevent scalding the hot water supply should be connected to the mixer via a thermostatic mixing valve (TMV).
- If used for cold water it is recommended that a service valve and strainer are installed in the cold water supply pipe.

Warranty:

- 1 year manufacturer warranty
