Product Images

Description

A compact bathroom mono basin mixer with a swivel spout allowing full access to the sink bowl. This easy to use single lever basin mixer makes one-handed temperature and flow control easy.

Slim stream aerator with directional swivel for minimising splashback.

Featuring a twin stud that is positioned centrally for maximum clamping force. Improving the seal, and

ensuring a robust installation.

Key benefits:

- Swivel spout makes it ideal for smaller basins
- Slim stream aerator with directional swivel
- Ceramic cartridge for smooth operation
- Water efficiency 7 l/m
- Easy to use for the whole family
- Classic design
- Optional base trim ring on spout
- Fitted with a quality ceramic cartridge for all-round durability and longevity
- Sturdy installation with a twin stud clamp kit
