Description

Aurajet Aio chrome shower rail forms part of the elegant Aio collection by Methven. This shower riser rail kit is perfect for families with different showering capabilities.

The Aurajet technology delivers a full-bodied spray with maximum body contact and all-over warmth.

With an adjustable chrome riser rail for easy retro fit installation, with the innovative halo shaped Aurajet shower handset that offers a whole new experience in showering.

Water efficient, without compromising on spray performance.

Key benefits:

- The rail has adjustable wall mounting brackets for retro-fit to existing installation holes
- Includes a soap dish
- Flexible height adjustments, ideal for families
- Easy to use handset slider
- Aurajet handset, a unique halo shaped head for a designer look
- Ultra wide coverage
- Single mode handset
- Limescale resistant - Polymer hydrophobic properties resists the build-up of limescale
- Twist free shower hose with 360° swivel adaptor for easier showering
- Water flow rate is optimised to be water efficient without compromising the luxurious spray performance
- Fitted with 9 l/min flow regulator
- Constructed from Brass and ABS - Chrome finish

Approvals:

- WRAS approved
- Kiwa approved
