Description

The Infinity by Roman is a 40mm thick shower tray with concealed fast flow waste.

Manufactured from Roman Stone, the Infinity trays are stylish, strong and durable.

This is the Matt White finish version of the Infinity, available in a range of sizes.

Key benefits:

- Ultra low profile shower tray
- Manufactured using Roman Stone Solid Surface Technology
- One angle of slope to waste to maximise flow rating

Waste:

- Fast flow waste included, fully concealed with solid surface cover piece
- Waste is suitable for power shower systems and carries away 25 litres of water per minute

Cleaning:

- Simply clean the tray regularly using warm soapy water and a pan scouring pad
- If more stubborn cleaning is required use warm soapy water and a 150 grade wet and dry paper
- Take particular care and attention when using scouring pads and wet and dry paper near glass and aluminium to avoid scratches
- Do not use any sharp instruments

Technical details:

- Thickness of tray (mm): 40
- Max. load (kg): 500
- Flat perimeter width (mm): 50
- Manufactured using Roman Stone solid surface technology

Warranty:

- 10 year manufacturer warranty

Please note:

- Due to the nature of the product, water integrity cannot be guaranteed when fitting with a wetroom panel - please consult your installer
- Maximum load bearing is based on a correctly bedded shower tray as per the installation instructions

Manufacturer product codes:

- IA108, IA128, IA129, IA149, IA168, IA178
