Description

Maxxus linear shower deck with a Purus Line Living Plus linear drain for vinyl sheet floors. The stainless steel Chess design grate fits flush with the finished vinyl floor covering.

Available in a range of sizes, the Purus gully outlet can be either side, low side or end parallel (side side).

Key benefits:

- For vinyl sheet flooring only
- Suitable for timber and concrete floors
- Strong and durable base yet only 22 or 24mm thick - refer to plan drawings for information
- Vacuum formed GRP
- Made from 50% recycled materials and is 100% recyclable
- Solid right through - no pockets or hollow cavities
- Creates a level access floor with no step
- Built in gradients for water removal to the waste
- Accepts 470kg (75 stone) loading over 400mm joist centres
- Self-supporting - no requirement for additional support underneath
- May be trimmed down to any size
- Removable sprung NOOD water trap
- The NOOD no-odour water trap which will not allow any foul air to escape even if the gully dries out
- Flush fitting removable stainless steel Chess design grate
- Choice of size

Installation:

- Fast 1 hour install - laid straight on joists no under boarding needed
- Totally flat underside and recessed screw holes allow for easy fixing
- No release agent to inhibit bonding of vinyl floor adhesives

Includes Purus Living Linear drain with three outlets types with Purus NOOD traps:

- 600mm or 800mm lengths depending on the floor former size
- Plastic-bodied unit
- Choice of three gully outlets each with a ABS pipe reducer 2" to 1½" (50mm to 40mm):
 - - Low Side Outlet with 30-36 ltr/min flow rate - depth (mm): 52
 - - End Parallel Outlet with 60-72 ltr/min flow rate - depth (mm): 105
 - - Side Outlet with 60-72 ltr/min flow rate - depth (mm): 105
- Please select above
- Note: Download the correct PDF installation instructions, based on the linear drain length
