Description

The AKW / Contour Swift shower tray gives you the perfect choice when a practical, corner entry shower area is required.

Once fitted a Swift shower tray provides barrier-free, level access for those with mobility difficulties.

Also, installing a Swift tray only requires the removal of 18mm of flooring, the equivalent of a floorboard.

Key benefits:

- For floors with a tiled floor finish
- For suspended timber or concrete / screed floors
- Barrier free, level access - assists effortless wheelchair entry

- Creates a defined shower area without reducing floor space
- Quick and easy to install
- Anti-slip surface for an assured underfoot grip
- Supplied without the Trueseal2 edge. This tray is for installation with floor tiles only
- Manufactured in the UK from Glass fibre-reinforced plastic (GRP)

Choice of size and handing:

- Please select below as required

Waste options:

STW8B-95 Gravity Waste

- 50mm water seal gravity waste
- 95mm depth
- Flow rate in excess of 22 litres per minute
- Manufactured by McAlpine

UPSW-3-22 Pumped Waste

- To be used in conjunction with a shower waste pump
- Top access, easy to clean
- 22mm outlet
- 85mm chrome plate flange and grid fitting
- 30mm depth
- Manufactured by McAlpine
- Pump not included

Technical details:

- Choice of size (mm): 795X795, 945x945, 1045x1045, 1095x795LH or RH, 1245x1245, 1295x745LH or RH, 1345x845LH or RH, 1345x945LH or RH
- Max load (kg): 270
- Locate in wooden or solid floors - minimal need for additional support under the tray
- Requires only 18mm of existing floor to be removed (apart from the trap area)
- 14mm tiling lip - easily accommodates wallboards and wall tiles

Warranty:

- Lifetime manufacturer warranty
