Optional - Wall Bolster post for vinyl safety flooring

BP001S - Chrome 2000mm Bolster Post, R13 Radius

Roman Showers, bolster post for vinyl sheet safety flooring with R13 radius. Extends the wall support post by 24mm of the corner wet room panels. Removes the need to cut the flooring and compromise the water tightness of the floor.

Description

The Roman Select range of shower screens can be fitted to a low level shower tray or straight to floor to create a true level access wet room.

This version of the Roman Select is designed for corner installations and features 10mm thick glass.

The glass panels are pre-coated with Roman Ultra Care, a unique glass protection system, see the PDF download for more information.
