## Description

The Roman Innov8 is a series of 8mm thick glass shower enclosures with bright silver hinges and chromed brass fittings.

This corner version features a single pivot door and a fixed return panel, for installation on a shower tray.

### **Key benefits:**

- Full height glass shower enclosure with outward opening pivot door and fixed return panel
- Outward opening only
- Bright silver frame
- Chromed brass machined components
- Chromed bass feature handle
- Low profile PVC seals
- 20mm of adjustment in each profile
- No top rail

- Full length pivoting tube
- Side Panel supplied with optional bracing
- Unhanded - doors are reversible
- Roman Ultra Care - Pre-coated glass protection system, see PDF download for more information
- Suitable for shower trays only

#### Technical details:

- Height to top of pivot tube (mm): 1967
- Glass height (mm): 1950
- Glass thickness (mm): 8

#### Recommended shower trays:

- Roman Anti-Slip Trays
- Roman Infinity Trays
- Roman Low Level Trays

#### Warranty:

- Non-transferable lifetime manufacturer warranty - applies to glass and aluminium parts
- This lifetime warranty does not cover perishable items such as door seals - replacements are available from Roman

#### Manufacturer product codes:

- Door: N2F7613CS, N2F813CS, N2F913CS
- Side panel: N2R7613S, N2R813S, N2R913S

#### Note:

- The Shower tray shown in the image is not included
