Description

The Roman Innov8 is a series of 8mm thick glass shower enclosures with bright silver hinges and chromed brass fittings.

This inline version features inward opening bi-folding doors suitable for an alcove installation with a shower tray.

Key benefits:

- Full height glass shower enclosure with bi-folding doors
- Frameless inward opening bi-folding door with 180° pivoting action
- Bright silver profile
- Chromed brass hinges
- Chromed brass top caps
- Clear seals
- 20mm of adjustment in each profile
- No top rail
- Elimination of the bottom rail creating level access entry
- Unhanded - doors are reversible
- Roman Ultra Care - Pre-coated glass protection system, see PDF download for more information
- Suitable for shower trays only

Technical details:

- Total height (mm): 1967
- Glass thickness (mm): 8

Recommended shower trays:

- Roman Anti-Slip Trays
