## Description

The Roman Innov8 is a series of 8mm thick glass shower enclosures with bright silver hinges and chromed brass fittings.

This corner version features bi-folding doors and a fixed return panel, for installation with a shower tray.

**Key benefits:**

- Full height glass shower enclosure with bi-folding doors and fixed return panel
- Frameless inward opening bi-folding door with 180° pivoting action
- Bright silver profile
- Chromed brass hinges
- Chromed bass top caps
- Clear seals
- 20mm of adjustment in each profile
- No top rail
- Elimination of the bottom rail creating level access entry
- Unhanded - doors are reversible
- Roman Ultra Care - Pre-coated glass protection system, see PDF download for more information
- Suitable for shower trays only

**Technical details:**

- Total height (mm): 1967
- Glass thickness (mm): 8

**Recommended shower trays:**

- Roman Anti-Slip Trays
- Roman Infinity Trays
- Roman Low Level Trays

**Warranty:**

- Non-transferable lifetime manufacturer warranty - applies to glass and aluminium parts
- This lifetime warranty does not cover perishable items such as door seals - replacements are available from Roman

**Manufacturer product codes:**

- Bi-folding door codes: N2V7613CS, N2V813CS, N2V913CS, N2V1013CS
- Fixed return panel codes: N2R7613S, N2R813S, N2R913S, N2R1013S

**Note:**

- The Shower tray shown in the image is not included
