## Description

The Renaissance Talis is a luxury design rectangular walk-in shower bath with electronically operated door.

The bath is supplied with a high gloss black finish side (front) panel, with the option to add additional end panels.

The Talis can also be supplied with a 6mm thick toughened glass shower screen, which fits neatly onto the bath edge.

This version of the Talis is right handed and features a high gloss black front panel.

#### **Key benefits:**

- 165mm Low threshold step entry allows easy access
- Door swings into bath for maximum access - controlled via electronic touch button and magnetic door lock
- Stylish chrome finish to door hinges
- Battery back up in case of power failure supported by an audible alarm
- Water sensor ensures the door remains inactive until water has passed below a certain level
- Luxury high gloss black vinyl wrapped MDF panels with magnetic fixings, allowing easy access for maintenance
- Supplied with side (front) panel - End panels available as extras
- Control box can be repositioned on installation if required for ease of access
- Supplied with adjustable feet for levelling bath on installation
- CE Compliant, manufactured in the UK

#### **Space planning:**

- Right handed
- Length (mm): 1700
- Width (mm): 800
- Floor to door entry height (mm): 165
- Overall height of bath (mm): 510
- Tub depth (mm): 400
- Water volume (litres): 233
- Shower screen material: 6mm Toughened clear glass
- Length of shower screen (mm): 705
- Overall length of shower screen including wall profile (mm): 780
- Height of shower screen wall profile (mm): 1400

#### **Electrical requirements:**

- 230V AC supply - requires a RDC with a 3A waterproof switched fused spur (not supplied)
- **Note:** The backup battery requires a continuous power supply to maintain the batteries condition
- All electrical installations should be performed by a suitable qualified electrician

#### **Optional extras:**

- Lever Pop Up Waste - Operated by an easy-to-use lever handle on the overflow
- Overflow filler with Click Clack Waste. The bath is filled from the overflow plate. This should be plumbed to a thermostatic mixing valve
- Black Gloss MDF end panel(s)
- 6mm thick toughened glass shower screen
- 12 Jet, Three Speed, Air Spa System
- Pair of Chromotherapy Colour-Changing Lights
- Bluetooth Wireless Sound System
