£253.80 Inc. VAT

Product Code: 61253

Product Images

Description

This corded hand controller is used to control the lowering and rise motion of Granberg's Butler 720 and 722 wardrobe rail lifting systems.

With a clean white finish, it features a simple push button design and is intuitive in its response.

Key benefits:

- Easy to operate and simple to install
- Clean white finish and contoured design
- Designed for use with the Butler 720 / 722 automated clothes rail lifting systems
- Mounting hook with fittings included
- Dimensions: 147x56x23 mm

Warranty:

- 2 year manufacturer warranty
